

Born 2 Rise

Lyrics

Through my eyes

(Through my eyes)

The foundation on which I stand

(The foundation on which I stand)

Unbroken

(Unbroken)

Unsilenced

(Unsilenced)

By the spoken word

(By the spoken word)

In a world where

(In a word where)

Only time will tell

(Only time will tell)

Through my eyes

(Through my eyes)

Born 2 Rise

Lyrics

Dead bodies on the street means no peace

Everywhere you turn is a nightmare and tragedy

Blood stain the streets like it never did before

I open up my eyes and all I see is war

Do we even try to think lost in direction

Clutching on 38 caliber connection

My protection means more than the next mans'

I stand with my head up on the next plan

Birds were born to fly

Thugs were born to ride

Maybe I was born to rise

And study every lesson

Through my eyes

Birds were born to fly

Thugs were born to ride

Maybe I was born to rise

And study every lesson

Through my eyes

Born 2 Rise

Lyrics

Just be safe..

'Cause snakes they'll get ya

And it might start with your enemies picture

Listen to me I'm not cold

I'm just searching for my home

But then I get a call from my brother in pin

I miss him dearly when will it end his misery

Of waking up in penitentiary sheets I speak

I never tried to preach I only prayed for peace

So why did I have to bury most of my homies

Its lonely so the liquor and the weed consoles me

In my shadow tell me what you see is it just me

Or is it just another reflection of why me

Questions I ask many

Because I'm still not settled in this world like the rest

Never was it in me

To lose faith over hard lessons

Greater lessons are harder learned

I'm stressed but I'm still blessed

Born 2 Rise

Lyrics

Birds were born to fly

Thugs were born to ride

Maybe I was born to rise

And study every lesson

Through my eyes

Birds were born to fly

Thugs were born to ride

Maybe I was born to rise

And study every lesson

Through my eyes

Yea..

Though I walk through the valley of the shadow of death

I will fear no evil

For thou art with me

Thy rod thy staff they comfort me

Thou preparest a table before me in the presence of mine enemies

Thou anoint my head with oil

My cup runneth over

Surely goodness and mercy shall follow me all the days of my life

And I will dwell in the house of the Lord forever

Amen
